DIRECTOR'S MESSAGE

I think this is the time of year our homes get inspected to be sure they are up to standard. Perhaps your home needs a little TLC, take the time now and prevent getting a letter in the mail. Do you have weeds? Moldy siding? Driveway need paint? None of us like getting the letter, but none of us like to look at homes that aren't kept looking nice either.

DO YOU WEAR YOUR BADGE?

The wearing of your badge is encouraged. With so many new people in our community, it makes it easier to strike up a conversation with someone wearing their badge. It is an easy thing to do, just wear it.

THE DIRECTORIES ARE HERE

Stop by the Rec Desk and pick up your new directory.

POOL HOURS

Please refrain from coming to the pool until 8:00 a.m. Our service department needs time to remove the cover, add chemicals and vacuum the pool. If you arrive and the crew is still servicing the pool, please give them a few extra minutes. Thank you for your cooperation and understanding.

NOTICE

Every two years, homeowners have the opportunity to serve on the Board of Directors of the Country Club Village Service Corporation to help oversee the operation of our water and wastewater plants, budgets, etc. Elections will be held at the 2019 Annual Meeting on

Tuesday, January 8, 2019 at 4:00 pm in the auditorium. If you are interested in serving on the Service Corporation Board, send your resume to CCV Service Corporation Board of Directors Nominating Committee, 8000 South US 1, Suite 402, Port St. Lucie, FL 34952. A resume is required. Thank you.

There are still quite a few cabins available and we have buses reserved, however the bus seats are getting in short supply. Please make your decision now as we will not be adding another bus.

LIBRARY NOTICE

The Library Staff would be most happy if "Collections" of books were donated elsewhere. Specifically, books on sewing, gardening, war, cooking and coffee table books. These books occupy a large part of the shelves and unfortunately, we don't seem to have many people who wish to take them out anymore. Our shelves are constantly filling up and our wonderful staff is diligently working on clearing them off by donating them to different charities and organizations. That alone is a full-time job. We have several dedicated volunteers who do this for us. Now, the season has arrived, it really isn't the first of the year anymore, and we love seeing our friends all returning and welcome more donated books. Many of you purchase them during the summer months and share them with our village upon returning. Thank you for your cooperation and understanding.
