Notes: The fiscal year for the Homeowner's Association is April 1 to March 31. Since dues are for a calendar year the numbers shown above will differ from numbers of members for a calendar year. The "number members" figures shown above were calculated by dividing dues dollars collected in the fiscal year by \$2.50 (i.e. annual dues for an individual up to 2011-12). The number of residents in SLCCV fluctuates somewhat. For the above percentages a total of 2,050 residents was used.
